### Well done Class 5 and 7

#### Threadworm

Please be aware that we have a child with threadworm in class 6.

#### A King Is Born

Well done to our Nursery and Reception children who did a wonderful job this morning performing A King is Born. The children looked great, they sang beautifully and we had some great acting. We had lots of ahhs from the audience, some tears and lots of chuckles.

Thank you to the grown-ups in school who have worked hard with the children rehearsing and preparing.

### Mrs Townsend's Pupil of the Week

Matilda Evans for always trying very hard with everything she does. She has grown so much in confidence and it's lovely to chat with her around school.

### Nursery News

A big well done to all of our nursery children for performing in our Nativity today. They were all fabulous and we were very proud of them! We're looking forward to our next performance on Tuesday 11<sup>th</sup> at 9.30am.

### Parking around School

I have had an e-mail this week from a parent regarding parking around school. I regularly have parents ringing or popping in to see me about parking around school. Could I please remind parents to park considerately outside school and nursery? On Alpine road cars are now parking on both sides of the road taking most of the pavement up on either side making it dangerous for parents walking with prams, the elderly and other school children. Please don't park on yellow lines or leave your engines running.

Please report any parking issues to the Enforcement Officer on 2736255 or 2735454 or email [parkingenforcement@sheffield.gov.uk](mailto:parkingenforcement@sheffield.gov.uk)

### This week's praise board

**The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.**

Lilly-Rae Baguley is just so thoughtful and shows how much she cares through the questions she asks and what she says.

David Staniforth for holding the door open for children and adults.

Ebony Colley for trying hard to make great choices. We can see a difference Ebony and it's making grown-ups smile.

Chester Parsons has a wonderful sense of humour and he made the school council chuckle on Tuesday.

## School Council

Our councilors went down to the Council offices in Stocksbridge on Tuesday to meet the Mayor and hold a council meeting. Their behavior was impeccable and they asked some great questions of the Mayor. They got to wear her chain of office and sit in the chairperson's seat. Chester asked if we could visit again. Nolan was keen to tell her all the things he's thought of to improve school – building a playground and having more time to play inside. Max spoke about assemblies and which kind children like and don't like. It was a really good meeting and we all enjoyed it. Many thanks to Miss Denton for organizing it all for us.

## Christmas Stalls & Fair

Many thanks to the staff who have organized and run stalls at 11.30am each morning. The children have really enjoyed visiting them and have been very sensible wandering around school seeing what is going on in each classroom. We really appreciate you sending your child in with some small change every day.

FOSNI have worked very hard to prepare for our Fair and we are very grateful to them for the time and effort they have put into it.

We will let you know how much we have raised for school funds next week.

**Assembly Theme:** 12 days of Christmas.
