What's happening in school next week?

- Mrs Marsh is teaching Class 4 on Monday as Mrs Heavens is out of school.
- On Monday we'd like our Y2 children to begin coming into school on their own. Staff will man the gates for additional security. It's good preparation for transition to the Junior School.
- Lego Club is for Y2 children next week and will be in Class 4.
- Miss Denton is teaching Class 3 on Monday afternoon.
- On Monday, we were going to have our Reception and Key Stage 1 Sports day with a picnic at lunchtime. I have been checking the weather all week and the forecast for Monday is terrible. So, we have rearranged it for Thursday 27th June – 10.30 for KS1, 1.30pm for Reception with a picnic 12.00-1.00pm. If Thursday 27th turns out to be a wet day the next available date we have for sports day is Tuesday 16th July so fingers crossed.
- I am free on Monday morning at 9.00am (and Tuesday at 11.00am) if there are any parents of our new reception children who want to pop in for a chat....and a cuppa!
- Transition continues next week. The children have done amazingly well. There have been tears but that has only been when it has come to leaving.
- Miss Denton is teaching Class 7 on Tuesday afternoon.
- Girls' Football Club on Tuesday, 3.00-4.00pm.
- Mrs Townsend is not in school on Wednesday morning.
- Nursery will hold their sports day on Wednesday, regardless of the weather. They will use the hall if it is wet.
- Chris Standley is in school on Thursday playing games.
- Class 3 have Forest School on Friday.

Well done Classes 5 and 7

Sports Day Reminders

Please do not take photos or record the children. We will take as many as we can and put them on our website. There are some children who even we cannot take photographs of for safeguarding reasons.

Please use the steps and not the banking to access the field.

Please feel free to use the disabled toilet on the bottom corridor. There is also one at the end of the top corridor just before Nursery door.

- Miss Denton is teaching Class 1 on Friday.
- Reports are due out next Friday.
- Mrs Townsend is not in school next Friday.

Mrs Townsend's Pupil of the Week.....

Lilly Turner for always being so cheerful in school. Lilly never passes me by without saying hello and she brightens up my day.

Nursery News

It's our sports day on Wednesday 26th. We're hoping for sunshine but it will still go ahead in the hall if the weather isn't kind to us.

For the children who come to nursery at the beginning of the week it will be 10.30 to 11.30am. For end of the week children and those who come every day it will be 1.30-2.30pm. Please come to the nursery gate. We'll look forward to seeing you there.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Caleb Tingle looked after a friend who was feeling sad.

Well done to all our Y2 children who spent three days at the Junior School this week. The teachers there report that the children were wonderful and a credit to us and to parents.

Tweak of the Week: Quiet voices in corridors please.

Week 1	Monday	Tuesday	Wednesday	Thursday	Friday

What are we learning in math's next week (week commencing 24.6.19)?

Reception will be continuing with their learning of number bonds to 10 e.g. $2 + 8 = 10$, $5 + 5 = 10$.

Year 1 will be following on from last week's weight and volume work. They will be looking at how to record using the correct language... heavy or light, more or less, empty or full. This will include using nonstandard forms of measurement for example - how many cubes does it weigh.

Year 2 will be using the mathematical skills learned so far to reason about number.

Well done to Mrs Heavens and Miss Palmer

Each year the Local Authority choose a number of schools to visit in Y2 and Reception. It was our turn for Y2 and they came yesterday. Their job is to check that the standards we say the children have achieved at the end of the year are accurate. It's lovely to be able to tell you that our judgements about how well the children have done in their learning were absolutely spot on. Mrs Heavens and Miss Palmer have done a great job teaching Y2 this year and were so prepared for yesterday's visit. The moderators were very impressed with Miss Palmer and Mrs Heaven's knowledge of our children and I'd like to say thank you to them for doing a wonderful job all year and also for the hours of preparation they have put into making sure they nailed our moderation visit!

Assembly Theme: Trust

Some of our classes have been writing poems about our Active Travel Challenge. We thought you might like to see them.

How do you get to school?

You can scoot on your scooter
Or ride on a bike.
You can hop on a skate-board
Or walk with your Mum.
You can jog in your trainers
Or sprint in your shoes.
You can park your car and stride
Or even hoola-hoop!

By Class 2

The children in class 8 they jump and run,
Jump and run, jump and run,
The children in class 8 they jump and run,
All day long.
The children in class 8 they twirl and spin,
Twirl and spin, twirl and spin,
The children in class 8 they twirl and spin,
All day long.
The children in class 8 they kick the ball,
Kick the ball, kick the ball,
The children in class 8 they kick the ball,
All day long.
The children in class 8 like keeping fit,
Keeping fit, keeping fit,
The children in class 8 like keeping fit,
All day long.

By Class 8

If I Could...

If I could come to school...
and get there extra-quick...

I'd bounce and spring along the streets on my
brill, red pogo-stick.

I'd boogie-bounce on springy boots, or zoom up
in the sky!

My space hopper would be pink and cool and I'd
boing-boing-boing my way to school!

My skateboard would be super-quick and I'd be
good at all the tricks!

If I could come to school...

By Class 3

Tweak of the Week: Quiet voices in corridors please.

1 dog and its owner, on the street,
2 red scooters, pushed along by feet,
3 little toddlers, on their trikes
4 big boys, riding their big bikes
5 chatty mums pushing babies in prams
6 giggling girls, strolling with their Grans
7 texting teenagers walking in a huddle

8 pairs of wellies, splashing in a puddle
9 skipping ropes turning in the air
10 kids jogging, in their sportswear
Oh how fabulous to be active, as Class 7
pedal, skip, walk & scoot to school!

By Class 7

Never giving up

I walked to school one dreary wet day,
And saw some hula hoops to use at first play,
They gave us a big smile,
As we tried for a while,
Until we mastered it ready for the holiday!
