Home Physical Education

Can you play by the rules and if you touch the floor start again?

How to play:

- Agree a starting point. Spread treasure across the floor. Use toys and socks as treasure.
- Using two objects can you move without touching the floor, picking up the treasure and returning it to your starting point.
- If you touch the floor you must drop the treasure and start again.
- Create a scoring system so that toy's = 1 point and socks = 2 points. How many points can you score?

Can you keep trying to think of the best ways to use the objects to move?
