Active Travel Breakfast

It was a great turn out on Friday morning and parents/grandparents and children are really making the effort to travel in a sustainable way. One little boy came part of the way by bus and then scooted the rest. Another family set off early and walked from Bolsterstone....and beyond. Thank you for all the support you give us with this initiative.

- Chris from Imagination Gaming is in school on Thursday as usual. This half term he will be continuing with some small groups in Year One and beginning to teach the Reception children how to play the games.
- Mrs Marsh is teaching Class 5 on Thursday morning next week instead of Thursday afternoon.
- Mr Barker is attending a PE meeting on Thursday afternoon. Mrs Marsh will teach Class 1.
- Class 3 have Forest School on Friday – many thanks to the parents/grandparents who volunteered to help this week. It really does make a difference.
- On Friday children can scoot, ride or push something with wheels to school.
- Dads, grandads, step dads, uncles and/or brothers are invited into school on Friday to celebrate Fathers' Day. It will be from 8.45-9.00am for children in Years One and Two and from 2.30-3.00pm for children in Reception.
- Our Y1 children have a singing workshop on Friday morning in preparation for their concert in July. They are doing really well learning the songs – it's lovely to hear them practising just before the end of the day. They sound wonderful.

Mrs Townsend's Pupil of the Week

Willow Collett. It's just wonderful to see her confidence grow and hear her having conversations with grown-ups around school. No one could try harder with learning than Willow.

Nursery News

Thank you for returning your slips and payments for our trip to Whirlow. We are pleased to confirm that this will be going ahead. We will send more details near the date.

Next Friday 14th dads and grandads are invited to join us in nursery at 2.30pm when we will sing to them for Father's Day. We will open the nursery gate at 2.30pm and hope you can join us.

On Tuesday 18th June at 6.00-7.00pm there is a meeting in the school hall for all parents/carers of children who will be starting school in September. This will give you an opportunity to meet the reception team and find out all about life in school. You will be given an informative and useful induction pack to take away with you.

What are we learning in math's next week (week commencing 10.6.19)?

Reception will be continuing to recognise numbers 20 to 100. We will also be solving problems by counting.

Year 1 will continue to work with money and begin to solve simple problems like "What can you buy with a 20p coin?" or "How much change will you have?"

Year 2 will be consolidating our understanding of different shapes and measures through a range of investigations.

Special Education Needs	Wednesday 26th June	3.00pm

Assembly Theme: Patience

Could I just remind parents and carers not to send their child to school with toys? These cause arguments at lunch and play times and could end up lost or broken. Thank you.

Year 1 Singing festival Monday 8th July

We are still awaiting quite a number of payments for this visit. The cost is £4.55 – this is just to cover the cost of the coaches. Please make your payment as soon as possible to allow the visit to go ahead. Thank you.

Reception Visit to Clifton Park

Please check your child's book bag - reception children will be bringing home a letter about an exciting visit we have planned for Tuesday 2nd July.

Proposed Breakfast club

Please check book bags for a letter to complete and return asking for views on a breakfast club.

Summer Fair

We are going to hold our summer fair in school each day the week beginning the 24th June. We did this at Christmas and the children really enjoyed going around school. We are going to hold tombola's in each class as follows:

Class 1 – Chocolate tombola

Class 2 – Bottle tombola (any bottle – cordial, ketchup, sauce – it doesn't matter)

Class 3 – Soft Toy

Class 4 – Bric-a-Brac

Class 5 – Books and games

Class 6 – Jar Tombola (Fill a jar with anything you think the children might like)

Class 7 – Stationery

Class 8 - Summer tombola (buckets and spades, beach balls, sunglasses etc.)

Over the next couple of weeks, would you please bring in something to donate to your classes stall – and any other if you wish? Many thanks.
