## Well done Class 7

### Sickness

We have a lot of bugs going around school at the moment, sickness and high temperatures. Please be aware that there is a case of scarlet fever too. Remember that if your child is sick or has diarrhoea, they need to be absent from school for 48 hours since the last bout. This is necessary to try and stop the spreading of the illness. Thank you.

### Mrs Townsend's Pupil of the Week

Mason Bonner for being a good friend. He shows great empathy towards other children and offers to help them if they are upset.

### Nursery News

Please look out for the nursery curriculum newsletter which is sent out separately today. It contains all the information you need for the spring term.

We have been asked to pass on a message to nursery parents: Pheobe-Lea's party planned for Saturday 19<sup>th</sup> January is postponed until 26<sup>th</sup> January.

#### This week's praise board

**The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.**

Jaxon - helping a new child to settle in, sharing and being very gentle and caring.

Matilda E - helping a friend to calm when the friend was anxious and worried.

Neve S - listening to a friend's reason for being upset and making a very positive suggestion to resolve her friend's upset. And it worked a treat. Well done.

Imogen - developing such a caring friendship with a reception child that helps them to be confident and giggle – a lot!

Darcy (6) - taking a leading role in a misunderstanding between friends to sort it you. Positive not bossy. Well done.

Millie in class 4 for helping and comforting Louie.

Ruby Donoghue is always there to help us all. Thank you Ruby.

### What are we learning in math's next week (week commencing 21.1.19)?

Reception will be learning about halving and sharing.

Year 1 will be learning about place value - working with numbers to 40 and beyond, more than less than, using written numbers as words.

Year 2 will be learning how to recall and use multiplication facts for the 2, 5 and 10 multiplication tables.

### Reception class visit

Children in classes 6, 7 and 8 have an exciting visit to Yorkshire Wildlife Park coming up. Please check their book bag for the letter about this visit and return the consent form and contribution as soon as possible. We didn't have a visit during the autumn term so are really looking forward to this one.

### Cedar Morning and After School Club at Stocksbridge Junior School

Places are available at Cedar Morning and After School club to children from our school as well as Stocksbridge Junior School. They are escorted to and from the club by qualified staff.

Please contact the Junior school office on 2882221 if you require any further information regarding Cedar Club.
