Well done Class 7!

Behaviour in School

I'm pleased to say it has been better in school this week. The thing we are working on at the moment is respect; respect for adults and doing as they have been asked, responding to adults and each other in a polite manner and respect for property. Lots of our children do this consistently and almost instinctively...but not all. Those that continue to show a lack of respect will be given three chances and then they will lose their playtime or choice time. Myself and teachers will also contact yourselves to let you know if this has happened for your child; I'm sure you'd want to know.

Many thanks for all the bun donations. We were inundated which was just fantastic.

What's happening in school next week?

- We have a training day on Monday so school will be closed.
- Our 10 Day active challenge begins on Tuesday....which makes it a 9 day challenge but who's counting. Please see the separate timetable.
- On Tuesday afternoon Class 2 are off to Stocksbridge Library at 1.30pm. If you can help walk the children there and back it would be most appreciated.
- Mr Barker and Mrs Townsend are not in school on Wednesday.
- Chris Standley is in school on Wednesday playing games with children from Class 2. Lunchtime Games Club for Y2 children is in Class 5.
- Multi-sports Club on Wednesday with Miss Price, 3.00-4.00pm.
- On Thursday we have our Active Travel Breakfast from 8.20am for anyone who comes to school in an active way. We will serve children rather than have self-service. Last time a few children took several items and didn't eat them – none of us like to see food wasted.
- On Thursday Class 1 are off to Stocksbridge Library at 10.00am and Class 5 at 1.30pm. If you can help walk the children there and back it would be most appreciated.
- Mrs Townsend is attending safeguarding training on Thursday afternoon so won't be in school.
- Gymnastic Club on Thursday, 3.00-4.00pm.
- Friday is Be Bright Be Seen day. Please send your child to school in their brightest clothing. The brighter the better. We'll start assembly with a little fashion parade.
- Class 5 have Forest School on Friday.

Assembly Theme: Respect

Mrs Townsend's Pupil of the Week.....

Logan Clarke who just quietly gets on with school life. He works hard. He follows the rules and he's a good friend to others.

Nursery News

Thank you for becoming so proficient at ordering school dinners on the board. Please remember that if you want a filling with jacket potato to tell Mrs Parkes, otherwise a plain jacket potato will be ordered. Available fillings are cheese, tuna, baked beans or dairy free cheese. Thank you.

We have had a couple of cases of hand, foot and mouth disease in Nursery. The symptoms are small spots around the mouth and in-between fingers and toes. Please seek medical advice should you suspect your child has this. It would also be helpful if you could teach your child to wash and dry their hands for themselves. Thank you.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

The 43 children who went to Monday Mile with Miss Rogers and Mr Barker.

Freya Eyre – she just works and works all day long. Mrs French and Mrs Greenwood are so please with her.

Heath Dyson is always doing the right thing at the right time.

James Gourley always has a smile on his face and is always so positive around school.

Maja Mastalerz who just loves school and would come every day including the holidays and weekends. Her love of learning shines.

Tweak of the Week: Follow the Golden Rules

Desserts	Lemon cake with custard Fresh fruit/ yoghurt	Chocolate crispy Fresh fruit/ yoghurt	Frozen toffee yoghurt with banana Fresh fruit/ yoghurt	Jam sponge with custard Fresh fruit/ yoghurt	Ginger biscuit with orange wedges Fresh fruit/ yoghurt

What are we learning in math's next week (week commencing 7.10.19)?

Reception will be counting, investigating and exploring numbers 9 and 10.

Year 1 will be using the language greater than/ less than and equal to while ordering objects and numbers. We will be doing lots of work on number position.

Year 2 will be Y2 will be learning to recall all number bonds to and within 10 and use these to reason with and calculate bonds to and within 20, recognising other associated additive relationships (e.g. if $7 + 3 = 10$, then $17 + 3 = 20$; if $7 - 3 = 4$, then $17 - 3 = 14$).

Parking around school

Please be considerate when parking around school and consider our neighbours. Someone had their drive blocked this week and was unable to get out making them late for an appointment. Please think about parking a little further away rather than trying to fit into a space which will block a driveway or make it difficult for pedestrians. Thank you.

Assembly Theme: Respect

Stocksbridge Nursery Infant School 10 day active challenge commences on Tuesday 8th October 2019

Date	Event	Notes
Monday 7 th October	INSET DAY	
Tuesday 8 th October	Take a selfie day	Send us a selfie of how you are being active on your way to school. Email: enquiries@stocksbridge-nur.sheffield.sch.uk Twitter: @stocksbridgenis
Wednesday 9 th October	International Walk To School Day	Help celebrate our "International Walk To School Day" by using the park and ride at Stocksbridge Leisure Centre.
Thursday 10 th October	Active Travel Breakfast	For those who travel to school actively, we will be organising a breakfast. It will be served from 8.20am onwards in the hall. Please enter school through reception.
Friday 11 th October	Be bright, be seen.	Dress up or design something bright so you can be seen. To promote road safety we will be having a parade during assembly to show off your outfits.
Monday 14 th October	Hula hoop to school	Children invited to bring a hula hoop to school. Meet in the school playground at the start of the day to have a 'hula hoopathon' 8.30-8.40am If wet we will be in the hall.
Tuesday 15 th October	Pebble day	Your child should have brought home a decorated pebble yesterday. On your way in to school today leave it somewhere for someone else to find.
