Well done Class 6!

Relief meal time supervisor

Would you like to work at school as a relief meal time supervisor to cover for absences? Or do you know anyone who might like to? The hours would be 11.50am to 1.15pm. Please call into the school office to pick up an application form if you are interested. Thank you.

Mrs Townsend's Pupil of the Week

Nell Bowden-Lovell for being a little girl who is always in the right place, at the right time, doing the right thing. She is someone who tries hard with everything she does and can be trusted. She's a quiet little superstar.

Nursery News

Happy New Year, welcome back and welcome to all our new nursery children who have settled remarkably well.

We have decided to nominate days on which we will change library books to help everyone remember (including us!) These will be on Monday and Thursday each week so please bring your library book, bag and record book (yellow book) on these days. We recommend that children bring their book bag every day and hang it on their peg. This is because the bag is useful to carry letters, pictures, etc and is good practice for when children start school and need their bag every day. Thank you.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Gerard Wilkinson for being very polite and always using please and thank you.

Thomas Milner for helping his friend who was struggling with some tricky spelling work.

Fire – Please take a moment to read our fire evacuation plan. Thank you.

On hearing the bell—a prolonged ring, please leave the school via the evacuation route displayed in each room. If you are working with a child/children please escort them outside—do not allow them to return to their classroom.

Our meeting point is the far corner of the large playground. Please ensure the child/children join/s their class to take part in roll call.

The school's admin team will distribute the registers and the visitor book will be checked to ensure all helpers have evacuated safely.

What are we learning in math's next week (week commencing 14.1.19)?

Reception will be continuing to find number doubles; counting feet and pairs.

Year 1 will be telling the time. Solving time problems such as what time will it be in half an hour if it is 3pm now. Sequence events in order using words like before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening.

Year 2 will be learning how to add and subtract any 2 two-digit number using an efficient strategy within 100 (e.g. $48 + 35$; $72 - 17$)

Boundary wall around school

When collecting your child/ren from school at the end of the day, you are responsible for taking your child off the school site safely. Please don't let your child walk on the internal and external walls due to the risk of injury and falling from height. Thank you.
