What's happening in school next week?

- Miss S Rogers is teaching Class 2 on Monday and Tuesday next week. Mrs Greenwood is teaching the class for the rest of the week.
- Mrs Gilder is teaching Nursery on Monday and Tuesday next week. Mrs Taylor is teaching on Wednesday and Friday and Mrs Marsh on Thursday.
- Nursery and Reception have their second nativity on Tuesday at 9.30am.
- Mrs Townsend is not in school on Wednesday.
- Year One have their first nativity on Wednesday afternoon. Doors will open at 1.40pm. The concert starts at 2.00pm. You may take the children home afterwards but we ask that you wait in the corridor until all the children are changed. You may also collect siblings from their classes. You will be asked to sign out your child.
- Chris Standley is in school on Thursday. The lunchtime club is working really well. It's very popular and lots of our Y2s enjoy playing board games with their friends.
- Friday is Christmas Jumper Day raising money for Save the Children. Please send the children in something festive with a £1.00 donation to the charity.
- On Friday our Y2 children will be performing their nativity twice, once at 9.30am and again at 2.00pm. Again, the doors will open at 1.40pm.

Many thanks for supporting the Poppy Appeal back in November. The charity have thanked us for raising £107.80.

Well done Class 2!

Christmas Fair

Many thanks to FOSNI and all the volunteers for helping to organise and run the fair tonight. We appreciate it very much. Any money raised is being put towards developing our outdoor spaces. We would love to have an outdoor classroom, a shelter for when the weather isn't kind on Forest School days. We want to plant more wild flowers and trees so the children can learn the names of them. It will also make science learning more interesting. We want to develop Nursery's play area. The grassy part needs artificial turf so the children can use it all year round. We have many ideas and plans and your donations are all gratefully received.

Mrs Townsend's Pupil of the Week.....

Thomas Milner for being the most sorted, considerate, articulate young man. Thomas knows what the rules are and he keeps them – always.

Nursery News

We have a child in nursery who has had threadworms. Please see this link for all the information you need – <https://www.nhs.uk/conditions/threadworms/>. Please be vigilant with handwashing.

Please remember to return your child's library book on the day written on their diary, along with a bag big enough to fit the book in. Thank you.

Remember to name all jumpers/cardigans. Could we please ask that you check the name in your jumpers to make sure that you have the correct ones? Thank you.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Class 8 have been noticed showing wonderful manners and saying "thank you" when collecting their dinner.

Ronnie Kelly for working so hard with his writing this week.

Hattie Simpson, Tia Monaghan, Oliver Lambert and Sameer Sajid helped Miss Cowley in the small playground.

Lilly Turner has been really listening and trying hard when sitting on the carpet.

Luna, Ruby, Eva, Violet and Maggie for tidying the classroom. Thank you.

A massive thank you to Mr K Denton (Miss Denton's dad) for creating our nativity backdrop. It's just wonderful and we are all in awe of his talent and thankful he spared the time to come in and help us. We are trying to figure out how we can save it for next year....and the year after...and....

Thanks Keith!

Tweak of the Week: Walk carefully down any steps in school – inside and out.

Week 3	Monday	Tuesday	Wednesday	Thursday	Friday

What are we learning in maths next week (week commencing 9.12.19)?

Reception will be learning to name and recognize 2D and 3D shapes (cube, sphere).

Year 1 will be learning to split two digit numbers into tens and ones up to 100.

Year 2 will be investigating number bonds to 100 using tens and ones as well as adding three 1-digit numbers.

In the run up to Christmas, we thought you may like to consider some of the games Imagination Gaming use, every week in school, and we recommend, to help develop social and curriculum skills. Show your child these and they can tell you (and Santa!) about their favourite games! Simply go to <https://imaginationgaming.co.uk/webstore>, scroll down and click on the big blue "Stocksbridge NI" button.

12 Smartphone Safety Tips of Christmas

The run up to Christmas has started which means children up and down the country will be writing out their Christmas lists and hoping to receive the latest mobile phone or smart device. Whether it's their first experience of mobile technology or a seasonal upgrade, it pays to make sure children know how to use their device safely and responsibly. Please have a look at the guide sent as a separate item just in time for the holiday period so that children are aware of how to keep themselves safe and secure and ensure they use their phone in the healthiest way possible.
