Well done Class 2!

Bye Bye Theo!

Today we have said bye to Theo. He's off to a new school next week. We wish Theo well. We've enjoyed spending time with him. He's made us laugh lots with his funny stories.

Many thanks to Theo's mum and dad who have helped at events and on trips. Your support has been very much appreciated.

Mrs Townsend's Pupil of the Week.....

Charlie Bullimore for trying hard with everything he does, for having super manners and for always following the Golden Rules.

Nursery News

Welcome to our new nursery children who have started with us this week. They have done so well and seem to have settled very quickly. Well done to those nursery children who have started coming down to the hall to eat their lunch. They have coped with the change and have learned the new routine. These little children are collecting their dinner from the serving hatch (with help) and once they have finished eating they put their plates, bowls, cutlery and cups in the right place. It's wonderful to watch them and is credit to the Nursery staff for how well they interact and support our very youngest children.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Cadie-Leigh, Leah and Jessica for being a good friend to someone who has hurt themselves.

Blake plays for having very polite manners

Faith is always so cheery in school.

Nell, Henry, Sophie, Imogen F, James, Cordelia, Kira, Lucy, James, Lottie, Niamh, Holly-Rose, Alice – who pop in regularly for a chat with Mrs T on their way out to play. They are learning how to be very sociable little people – sharing news, asking people how they are and what they've been up to.

Harris for saying hello to a grown up of his own accord.

Holly S for coping so calmly and 'matter of factly' with her injury – a very matured attitude.

Violet-Skye for being so proud of learning how to skip.

Frankie S for settling well into school life – lovely to see her smile and hear her giggle.

Tweak of the Week: Be safe on the equipment. Follow the timetable and the rules.

What are we learning in math's next week (week commencing 23.4.19)?

Reception will be solving problems with numbers to 10.

Year 1 are making sure we can read, count and write our numbers from 1-100 in numerals and words.

Year 2 will be recapping $\frac{1}{2}$ past, $\frac{1}{4}$ past and quarter to and learning how to tell the time in 5 minute intervals.

Playground Equipment

Well the playground equipment has gone down a treat. The children are doing really well sticking to the timetable.

It's been lovely to watch all the children at lunchtimes. There are some playing basketball with Miss Price, some hoola hooping with Miss Rogers, children on equipment, some shooting into the new red and yellow 'hoops'. Others are helping the MTS with jobs. Whilst I've been on duty this week, I have not had to deal with any incidences of poor choices, hurting etc. Long may it continue! We will continue to supervise the equipment before and after school when it cannot be used. The Junior School have some amazing equipment, which cannot be used before or after school and this is adhered too. We're hoping once it all settles down we will not need to supervise. Please help by not allowing your child to play on it whilst waiting to collect your children. Thank you.

Assembly Theme: Keep moving.

Tweak of the Week: Be safe on the equipment. Follow the timetable and the rules.

Is your child school ready?

In 2018, there were over 900 [laboratory-confirmed measles cases](#) in England.

Measles is a highly infectious viral illness that can be very unpleasant and can lead to serious health complications and in rare cases can be fatal.

We want to make sure that all pre-school children are protected from Measles, Mumps and Rubella and are fully vaccinated before they start school this September.

We are urging parents and guardians of all pre-school children to check with their GP that they are fully up to date with the 2 doses of the [MMR vaccine](#).

Let this be one less thing you have to worry about before they start school.

Fire – Please take a moment to read our fire evacuation plan. Thank you.

On hearing the bell—a prolonged ring, please leave the school via the evacuation route displayed in each room. If you are working with a child/children please escort them outside—do not allow them to return to their classroom.

Our meeting point is the far corner of the large playground. Please ensure the child/children join/s their class to take part in roll call.

The school's admin team will distribute the registers and the visitor book will be checked to ensure all helpers have evacuated safely.
