If you haven't already sent us a "Wow" moment photograph (of your child doing something they enjoy out of nursery) please send us one to add to our display. You can send us a physical photo or e-mail one for the attention of Mrs Hindmarch to: enquiries@stocksbridge-nur.sheffield.sch.uk. Thank you.

What are we learning in math's next week (week commencing 30.9.19)?

Year 1 will be learning to use the language of equal to, more, less, greater than, fewer than, less than, when comparing groups of objects. We will introduce the signs < (less than), > (greater than) and = (equals).

Year 2 will be learning to count in twos, threes, fives and tens from 0 and use counting strategies to solve problems (e.g. count the number of chairs in a diagram when the chairs are organised in 7 rows of 5 by counting in fives).

Behaviour

After a couple of weeks of calm the children have found their feet. We normally celebrate the week in Fabulous Friday assembly but this week we didn't. Nothing major or drastic has happened, just lots of little things. We expect the children to walk around school and use quiet voices. We expect the children to show respect to adults and do as they are asked – perhaps not always the first time, but some children are still not following requests after being asked 3, 4 or 5 times. We have had children pulling down tape in the girls' toilets everyday – put there by Mr G whilst he waits for a part to mend a broken door. We have had a child writing on tables with a marker pen – not sure why? We have had children who have not come down from the play equipment when asked. We have had children speaking in a rude way to adults – demanding actions rather than using their words to ask for them. Quite enough for one week! Therefore, we are pulling back on behaviour and being firm and fair. School is a lovely place and we have lots of fun and do wonderful things. Many of our children's behaviour is faultless. They are wonderful role models, but we have 258 children aged between 3 and 7 so we really do need them all to follow the rules as much as they can and as often as they can. Our Golden Rules are below.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Lacey Brodie for being very caring and looking after a reception child who was missing his mummy.

Ellie-May Murray and Addie Williams for taking part in the Sheffield Fun Run.

Nolan Robinson for having wonderful manners – always.

Chester Parsons – for helping Sarah, one of our cleaners by sweeping up the sand.

Charlie Bullimore helped a friend with his work when he was struggling.

Reception classes

All reception children have brought home a full set of sounds which are our learning for this term. Please cut these up and use them as sounds on their own or put them together to make simple words e.g cat, dog, pig. Thank you for your support.

Miss Rogers and Mr Barker are super proud of Ellie-May who is a regular Monday Mile-r with them. On Sunday Miss Rogers just spotted her as she whizzed past in the Sheffield Mini Run (after the 10K in the city centre). Ellie-May was running with a big smile, just like she does every Monday lunch time. Keep up the hard work Ellie and we feel sure there will be lots more medals coming your way!
