Nursery News

Mrs Hindmarch is very pleased that she will be back in nursery on Monday.

Please make sure that your child has a named bag on their peg to bring things home in next week.

If you come across any library books or reading books at home, please let us have them back next week. Thank you.

Congratulations to our Year 2 children who entertained us all on Wednesday with their wonderful assembly. It made us laugh and cry but most importantly feel very proud of the young people they have become. They are more skilled, more knowledgeable, more socially aware and more confident and it was lovely to watch. It makes me very proud of the school we have. We give the children so many opportunities during their time with us and for me, the slide show at the end, showed children happy and enjoying learning and that is what school should be all about.

Year 1 resources

Our September Year 1 classes have been busy telling us what they would like to see in their new classrooms next year. As you will be well aware, our school budget doesn't stretch very far these days! If you have any of the following in good clean condition that your children have outgrown, we would be really grateful if you would like to donate them for our year 1 children:

Dressing up clothes, small world play such as Playmobil, role play such as dolls, kitchens etc.

Many thanks in advance.

We have many talented children!

I would just like to say a huge well done to the following children who brought pleasure to lots of people last week with their wonderful dance show. We have some talented dancers, gymnasts and actors who performed with confidence and it was a pleasure and privilege to watch them:

Emily Chappel, Emily Veale, Elodie Proctor, Annie James, Olivia Walker, Maisie Randall, Harlow Long, Eadie Gibbons, Jessica Harper, Georgia Reeder, Niamh Siddall, Lottie Siddall, Cordelia Hibbert, Imogen Fleetwood, Lucy Martin, Sarah Tompkin, Beth Tompkin, Archie Haigh, Rosie Brumby, Shannon Taylor, Esme Tym, Freya Walker, Amy Palmer and Summer Brooke.

Make sure your child is school ready.

Contact your GP if they are not up to date with their vaccinations

I've had my pre-school vaccinations

Sheffield City Council

If your child is starting school this September, please make sure they have had both doses of their MMR vaccine.

If you are unsure, please contact your GP. Measles outbreaks are across the country, it is a highly infectious viral illness that can be very unpleasant and sometimes lead to serious complications.

Please make sure your child is vaccinated this summer; let this be one less thing you have to worry about before they start school.

Girls Football Club

Stocksbridge Park Steels run a girls football club "Wild Cats" at Stocksbridge Leisure Centre every Monday at 4.30-5.00pm. This is for 5 – 11 years old, the cost is just £2.00.

We recently ran a girl's football club in school - it was very popular and the girls had a great time.

On Wednesday night, Mr Barker headed off to EIS to attend the Sheffield Schools Get Active Awards 2019. We won best PE and School Sport Award for All. It was awarded to the school that has made significant improvements in engaging all pupils in PE, Physical Activity and School Sport opportunities with a specific focus on pupils with Special Educational Needs and or Disabilities.

A huge congratulations to all our staff but especially to Mr Barker who does a fantastic job of leading PE in school.

And our good news continues.....
