**Our target  
attendance  
is 96%**

**This  
week's  
attendance  
is  
97.5%**

**Happy New Year everyone.**

### What's happening in school next week?

- Miss Denton will be teaching Class 1 next week other than on Thursday morning when Miss S Rogers will teach.
- Mrs Priest and Mrs Hutchinson are out on a course on Monday and Tuesday. Mrs Taylor will teach Class 6 and Mrs Gilder will teach Class 8.
- Pat is not around next week for crossing patrol. Mrs Townsend will cover as many days and times as she can.
- Miss Palmer is out on a course on Tuesday. Miss S Rogers is teaching Class 5.
- Class 2 are visiting Stocksbridge Library on Tuesday afternoon. If any helpers can support walking the children there and back it would be much appreciated.
- There is a Balance Bike Festival at Stocksbridge High School on Tuesday from 3.30-4.45pm. Unfortunately it clashes with some training we have had booked for a while and there is no one available to take the children this time.
- Chris from Imagination Gaming is in school on Thursday. He will continue to work with small groups. The Y1 and Y2 children are now all 'trained up' so he will be playing board game with whole classes too. Y2 Games Club is in Class 3 next week. The children really do love playing the games. If you're ever stuck for what to buy for a present here's a link to some of the ones we use and many more: <https://imaginationgaming.co.uk/ig-awards/past-winners>
- Miss S Rogers is teaching Class 6 on Thursday afternoon next week.

**Well done  
Classes 3 and 7!**

### Reading Workshop for Reception Children

We are holding 2 reading workshops for parents of children in reception. The first is on **Wednesday 15<sup>th</sup> Jan at 2.00pm**. If you can't make this one, the second one is on **Thursday 23<sup>rd</sup> Jan at 3.00pm**. If you went to Mrs Townsend's sessions there is no need to attend again. We will care for the children whilst you're busy.

A 'must' to help your child achieve and flourish to be their best!

## Mrs Townsend's Pupil of the Week

Frankie Slater – for being observant, for chatting to adults around school and generally being a polite, smiley, happy little girl!

## Nursery News

Happy New Year to you all. The children have all returned smiling and quickly settled back into the nursery routine. This term we welcome 8 new children into nursery across the week. I'm sure you will help us support them as they find their feet.

Now that the children are familiar with borrowing a nursery library book we would like them to change their books independently (with your help!) as and when suits. Nursery library books are kept on the unit in the cloakroom. Please help yourself and record titles in your child's yellow reading record book. Any questions, please just ask. Thank you.

### This week's praise board

**The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.**

The year 1 girls who make up our lunch time job squad each and every day. They are so kind and helpful.

Lily Clayton is a big help to Mrs Greenwood at lunchtime

Harris King for helping Miss Rogers bring equipment in after Monday Mile.

Dottie Cookson has been sharing her really imaginative stories with Mrs Priest.

Thomas Milner and Louie Beechill - helping to sort out a problem with friendships at lunchtime.

Marcey Fletcher is so determined to learn as much as she can.

Millie Morgan always helps anyone who has a problem. She is so kind and considerate.

Ricardo Steers for coming to school early to attend his first reading club. Keep it up!

**Tweak of the Week:** Good listening in assembly.

### What are we learning in maths next week (week commencing 13.1.20)?

Reception will be learning to make and know number bonds from 6 to 10.

Year 1 will be looking at addition by making 10 first then adding on a number, recognising patterns and subtraction from 20 to 10 (not crossing over the 10) eg  $20-5 =$  .

Year 2 will be recalling and using multiplication facts for the 2, 3, 5 and 10 multiplication tables to solve simple problems and show their understanding of commutativity i.e.  $5 \times 2$  is the same value as  $2 \times 5$  etc.

### What parents need to know about TikTok – advice from National Online Safety

TikTok is huge. There's a good chance that even if you haven't heard of it, your children have. It is a fun way to create short videos which can be edited and shared with almost anybody, bringing endless entertainment. But is TikTok safe? Should parents be concerned about what their children are viewing? And could children be at risk from other users? **Find out with the guide which has been sent as a separate attachment.**

Created by experienced writer Pete Badh, this guide explores the main features that make TikTok so addictive and the key themes that parents need to know about. As always, the guide will also provide a number of useful tips for parents and carers to consider around providing a safer user experience for their children.

## **100% Attendance Autumn term 2 2019.**

## **The Triple P – Positive Parenting Programme**

0-12 Triple P has been developed for parents of children aged 0-12. Because it's based on Triple P's proven parenting strategies, it gives you ways to deal with the kinds of behaviour problems and issues that can make family life stressful. The programme consists of 8 sessions; 5 x 2 hour group sessions, 2 x telephone sessions and one last group session.

It helps you:

- think about what's causing any issues and set goals
- encourage behaviour you like and build positive relationships
- deal with misbehaviour and plan ahead.

The next programme begins on **Wednesday 26<sup>th</sup> February at Stocksbridge Children's Centre** from 12.15 – 2.30pm. There are **crèche facilities available** – please book early to avoid disappointment.

Please contact Sheffield parent hub on 0114 2057243.
