Nursery News

Next week we have our spring term "Stay and Play" sessions on Tuesday at 2.00-3.00pm and again on Thursday at 2.00-3.00pm. Each child may invite one adult (parent, grandparent, childminder etc) to join them in an activity during this session.

If your child attends for 30 hours please choose one session for an adult to attend i.e either Tuesday 2.00-3.00pm or Thursday 2.00-3.00pm, not both. There are not enough resources or space for the child to do the activity twice. Instead we have another planned activity with our teaching assistant. Also please be aware that we are unable to accommodate younger siblings or babies due to Health and Safety regulations. We will open the nursery gate at 2.00pm.

We do hope you will be able to join us and look forward to seeing you.

What are we learning in math's next week (week commencing 14.1.19)?

Reception will be continuing to recognise and work with numbers up to 20.

Year 1 will be continuing to learn about adding & subtracting numbers to 40. They will use apparatus to help work problems out. Developing mental maths and know how to write a number sentence using $- + =$. They will also be looking at written number problems -learning to solve a maths number problem/question.

Year 2 will be continuing to recall and use multiplication facts for the 2, 5 and 10 multiplication tables with a focus on odd and even number patterns.

Toys in school

Could I remind parents and carers that toys from home shouldn't be brought into school. Unless your child's class teacher has asked you to bring in something for transition purposes or as a comfort object please do not let your child bring toys, games, objects, pencil boxes etc into school. This causes arguments and upsets about who is playing with what and when. Items can get damaged or lost so they really are best kept at home. Thank you.

Assembly Theme: Chinese New Year.

Governor Section

At the last Governor's meeting, I was elected as your new chair of governors. Andrew Dimelow had been a superb chair of governors and we thanked him for his hard work and commitment to the school.

I am a retired primary school teacher, having taught in several schools in the north of Sheffield for 38 years.

I have been proud to have served as a governor since November 2011, as we have a wonderful school with a caring, dedicated and talented staff, working in partnership with our children, their parents and carers.

I am in school on Wednesdays, when I volunteer as a classroom helper. I look forward to meeting the children and working with them. I try to attend school events so please come and have a chat or you can contact me through the school office.
