97%**

What's happening in school next week?

- It's National Bike to School week.
- Monday Mile with Miss Rogers...and Mr Barker promises to turn up next week.
- Mrs Townsend is not in school on Monday afternoon.
- Football Club begins on Monday, 3.00-4.00pm. Children should go to the hall after school and be picked up from the main office. You will be asked to sign your child out.
- Chris Standley is in school on Wednesday playing games with children from Class 2 in small groups. Y2 Lunchtime Games Club is in Class 3 next week.
- Multisports Club, 3.00-4.00pm on Wednesday.
- Gymnastics & Dance Club on Thursday 3.00-4.00pm.
- Mrs Bevan (one of our mealtime supervisors) leaves us on Friday.

Well done Class 1 and 7!

Medical Needs

If there have been any changes to your child's medical needs would you please inform the class teacher and/or Miss Redgate? Thank you.

Are you a parent or carer who uses childcare in Sheffield? And if so, can you spare 5 to 10 minutes to tell us about it via our [online survey](#)?

We are asking you to take that time because we know how important childcare is to you. We want you to tell us what we're getting right and where there are problems.

Your answers will help us talk to schools and childcare providers about the services that are available in the city, because you are telling us what services you want, where you want them and what time you need them.

This information will not be shared and will be confidential. Please click [here](#) to complete the survey.

Mrs Townsend's Pupil of the Week

Kitty Albinson is becoming more and more confident. It is lovely to see her hand up in assembly offering ideas. Well done Kitty.

Nursery News

Oliver C is missing a blue school sweatshirt, size 26. His name is written in biro on the label. If you find you have it by mistake, please return to nursery. Thank you.

Please don't send drink bottles with lunchboxes as they get "shared around" spreading germs. Also, if sending a yoghurt please also send a spoon in their lunchbox.

The children have started to bring home library books. Please return the library book on the day marked on the yellow reading record book. A bag – book bag or back pack – would be useful on these days. Please use the yellow book to record your comments.

What are we learning in math's next week (week commencing 23.9.19)?

Year 1 will be counting forwards and backwards and looking at one more and one less.

Year 2 will be learning to partition two digit number into tens and ones and will use their understanding to order different numbers using the symbols $<$ and $>$.

**No mobile
phones**

Mobile phone use in school

Despite a reminder on last week's newsletter, staff have commented that several parents and grandparents are still using mobile phones on school premises.

We ask you to keep mobile phones out of sight whilst on school grounds to ensure safety for our pupils.

In 2009, a Nursery worker was convicted of crimes that involved taking inappropriate pictures of children with her mobile phone. Since then, all settings with children under five are encouraged not to allow the use of mobile phones on school premises. We follow this advice.

I am not suggesting parents or visitors to school are using their phones inappropriately but it is an impossible thing for us to monitor and police and therefore ensure we are keeping all our children safe.

Tweak of the Week: We are still working on coming in quietly. Elephants and rumpus best describes it at the moment!

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Lola Green for trying hard with her work no matter how hard it is.

Lilliana Hallas always walks quietly and sensibly around school. She is a good role model.

Eva Nicholson, Sophie Clough and Georgia Reeder have been caring for new reception children.

Thomas Fox for opening the door for lots of adults.

Flu Vaccination

The school nurses will be in school on 16th October to carry out vaccinations. Please return your consent form if you haven't already done so (there is provision on the form to say yes or no). If you didn't receive a consent form, please call in at the office to pick one up.

Assembly Theme: It's a Big World. (European Day of Languages on Thursday 26th Sept)

Year 1 and 2 Maths website

All of our Year 1 and Year 2 children have been allocated a log in on a (free) maths website, Prodigy. Our Year 2 children were given a login last year but we have updated the classes so they have been allocated a new login. All Year 1 and Year 2 children will be bringing home a letter with their own secure log in so please keep this safe. The games can be played on any device with an Internet browser, including computers or tablets just by going to prodigygame.com/play and using your child's personal log in details. If you have any questions or queries please come and find Mrs Heavens. No personal information is shared on this website. If you do not wish your child to use this website there is no obligation to do so. We have received lots of positive feedback about this website and we are sure that the children will enjoy using it.

Letters

Please look out for paper letters coming home today. All **year 2** children will bring home an important letter about transfer to junior school.

Year 1 and 2 children will bring home a letter with log in details for a maths website (see above).

All children who are **new to the school** will bring home a letter with log in details to use the eschools platform and app.

A small number of **Year 1 and 2** children will bring home a letter about a Reading Club.

Reception Classes

Could all children in classes 6, 7 and 8 (reception and year 1) bring in a photo of themselves and their family if possible, from when they were a baby? This is for our current topic.

Thank you for sending your child with wellingtons for Welly Wednesday. Could we ask that they come to school in their shoes please and bring their wellies with them? Wellies aren't very comfy to sit in all day, and can also get very muddy! Thank you.

We have head lice in class 6. Please check your child's hair this weekend and treat if necessary. The pharmacist can advise on suitable methods of treatment.

The Book People Big Book Boost

Please have a look at the leaflet your child has brought home today about this. It is a fundraising scheme to help schools obtain free books.

Also, don't forget we are collecting tokens from Aldi for PE kit and equipment.

Tweak of the Week: We are still working on coming in quietly. Elephants and rumpus best describes it at the moment!
