Congratulations Mr Barker.

On Wednesday 8th January Mr Barker became the father to a little girl. We are all delighted for him and whilst we're missing him, we hope he is enjoying this time with his new family.

Mr Barker, the children have all promised to be extra good when you come back next week!

Well done Class 7!

Reading meeting for Year 1 parents/carers

We are having a reading meeting on **Tuesday 21st January** in class 2 at 8.45am. It is important that you come along to help your child achieve and flourish.

Possible Lego club

Would you be interested in your child attending a one hour Lego Club after school? If so which day of the week would be best for you? The cost would be £4.79 per week as it is run by an outside company supported by our staff. Please let the office staff know by Friday 24th Jan and we'll judge whether it's viable or not.

Mrs Townsend's Pupil of the Week.....

Olivia Walker for always following the rules. She is always in the right place at the right time.
She is kind, polite and works very hard.

Nursery News

Lily B has lost a pair of pink striped mittens. If you come across them, please return to nursery.

Thank you for helping your child change their library books. A pot of pens has been provided!

It's that time of year when we might expect snow. In the event of heavy falls of snow and school has to be closed, we will send an e-mail. Please make sure we have a current email address. However, please always listen to Radio Sheffield for announcements of school closures early in the morning. The same applies if we need to close school part way through the day. Please do not ring school as we have 268 children in school – the phone lines can't cope! Thank you.

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Alfie and Luca for always doing great tidying up and for helping the grown-ups.

Georgia (Class 7) for growing in confidence and chatting to grown-ups more.

Lilly Turner for helping to tidy the classroom.

Olivia Walker for putting her hand up more often.

Declan, Reuben, Harrison and Ronnie for being a helping friend to others.

Carson Bullimore is always keeping our Golden Rules.

Tweak of the Week: Games with no hurting and no going on the green grass – the children know what this is!

What are we learning in maths next week (week commencing 20.1.20)?

Reception will be counting and ordering numbers to 10 and then 20.

Year 1 will be looking at subtraction crossing over 10 using number bonds and looking at how to make up different numbers.

Year 2 will be investigating odd and even numbers and the related multiplication facts within them. E.g multiples of 2 are always even numbers etc.

Show and Tell

We enjoy having “show and tell” sessions in the classroom, however, could we ask that if your child is bringing something to show, it is something that they have made or achieved? Please don't send toys to show. Thank you.

Well done to all the children who took part in the Christmas Reading Challenge:

Matilda McGhee, Martha Traill, Georgia Woodhouse, Hermione Merrywest, Dottie Cookson, Devon Taylor, Ellie-May Murray, Niall Pritchett, Reuben Priestley, Jake Wragg.

Their achievements were celebrated in assembly this morning.
