### After School Clubs

We currently have spaces in our after school clubs. We have football on Monday, gymnastics on Wednesday and multisports on Thursday. These will run until the last week of the summer term.

Please call into the school office if you would like to sign your child up to any of them.

### Head Lice

.....are in class 6 this week. Please check your child's hair this weekend and treat if necessary.

- Mrs Marsh is teaching Class 5 on Thursday afternoon.
- Parents of Nursery children are invited to Stay and Plan on Thursday from 2.00-3.00pm.
- After school multisports club on Thursday 3.00-4.00pm.
- It's Golden Star assembly for children in Nursery and Reception on Friday morning at 9.00am. The assembly is usually 20mins or so.
- Class 2 have Forest School on Friday.
- It's non-uniform day on Friday.....in return for coming non-uniform, we would like to ask for a donation for our summer fair which will be on 28<sup>th</sup> June this year. We would welcome donations of items for our tombola stall or raffle prizes – chocolate, toiletries, books, games etc. Many thanks.

### **Mrs Townsend's Pupils of the Week**

Charlie Bullimore for the way he coped with an injury at school. He was calm and brave and his main worries were missing roast chicken dinner and stopping the class getting 100% attendance. He was an absolute star!

Ted Goff. I was so impressed with the answers he gave to questions in a reading session. He listened, he thought, he tried hard.

### **Nursery News**

Please join us for Stay and Play next week. Tuesday 21<sup>st</sup> May 2.00-3.00pm or Thursday 23<sup>rd</sup> May 2.00-3.00pm. Parents of children who attend 30 hours please come along to just one session. Please note that due to health and safety requirements we are unable to accommodate younger siblings or more than one adult per child. Grandparents, childminders or another significant adult is welcome to accompany your child if parents are unable to come. We will open the usual nursery gate at 2.00pm and hope you will be able to join us.

Unfortunately we once again have a case of chickenpox in nursery. Please be vigilant if you are in the early stages of pregnancy and consult your midwife should you be concerned. Children may return to nursery once the last crop of spots have dried and scabbed over. Thank you.

### **What are we learning in math's next week (week commencing 20.5.19)?**

Reception will be solving simple number problems within 20 using all our skills.

Year 1 will be learning to share between groups fairly. (e.g. if I had 4 apples how many would 2 children have each?)

Year 2 will be revising all number bonds to and within 10 and use these to reason with and calculate bonds to and within 20, recognising other associated additive relationships ( e.g. if  $7 + 3 = 10$ , then  $17 + 3 = 20$ ; if  $7 - 3 = 4$ , then  $17 - 3 = 14$ ).

**Tweak of the Week:** Clear your table at the end of lunchtime.

### Letters sent home today

Please check your child's book bag carefully. We have sent out several letters by paper today.

**Year 2** children have a letter from Stocksbridge Junior school.

**Year 1** have a letter about a visit to a Singing Festival at Sheffield University. Please read this carefully – there is a lot of information and slips to complete and return. The payment for this visit will not be on parent pay as there are a number of forms to complete and return.

There is also a letter for **Year 1** about a playground scooter safety skills lesson. Please complete and return the consent slip if you would like your child to take part.

**Reception, year 1 and year 2 girls** have the opportunity to attend a free after school football club. We expect this to be popular and it will be filled on a first come first served basis.

We have another of our very popular active travel breakfasts on Friday 7<sup>th</sup> June for **Reception, year 1 and year 2**. Please have a look at the letter and return the slip if you would like to join us.

**Below is a message from Stocksbridge Junior School:**

**CALLING ALL YEAR 2 PARENTS – Understanding and Responding to Behaviour Workshops**

Hello to all Year 2 parents - Our new Year 3 parents.

The way our children behave is a constant source of discussion for most parents and is sometimes very hard to understand.

In order to support parents in understanding and responding to behaviour Stocksbridge Junior School have invited our Educational Psychologist Nneka to involve as many parents as possible in some 'Understanding and Responding to Behaviour' workshops on Wednesday 19<sup>th</sup> June (between 9.15 and 11.15am or 1.00 and 3.00pm – choose which one you would like to attend).

**What A Great Opportunity!! I know lots of Year 2 parents will want to attend in view of their children attending the Junior School in September.**

If so, all you need to do is offer your name and your child's name to Stocksbridge Junior School Reception on 01226 288 2221 before 13<sup>th</sup> June stating whether you will be attending am or pm.

Sessions will be held at the Junior school. Places will be allocated on a first come first served basis.

We look forward to seeing you.

**This week's praise board**

**The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.**

Poppy Newton asks Mrs Townsend most days what sort of day she's having.

Esmee & Sophia for always saying thank you.

Dottie for always being so smiley and upbeat in school.

Ellie-May for being super helpful when Charlie hurt himself.

Archie H for showing empathy and compassion.

Meredith for helping to sort out a problem.

Akash for staying behind and helping Miss Denton tidy up after phonics everyday – thank you.

Frankie and Finlay for helping Miss Price collect the cones in at the end of lunchtime.

Eloise in class 5 helped to cut her friend's lunch up for him.

# ***SPACE CHASE***

Summer Reading Challenge 2019

We have two fantastic space themed bean bags to be won!! Enter our competition for a chance to win one for your school, one for your local library and a bag of books for yourself.

Dear Head teacher

This year's Summer Reading Challenge, Space Chase is inspired by the 50<sup>th</sup> anniversary of the first moon landing and will be launch in all of our libraries on Saturday 13<sup>th</sup> July. The annual Summer Reading Challenge helps get three quarters of a million children into libraries each year to keep up their reading skills and confidence.

We want as many children to take part in this year's challenge as possible and are looking to the children who do take part in the challenge to encourage other children to do so. With this in mind we are holding a competition asking children to write a piece about the Summer Reading Challenge. This only needs to be a paragraph or so about why they think its fun to take part and what they enjoy most about it. Entries are open to all primary aged children. The winners work will be featured on Facebook to help us promote the challenge and they will received a fabulous space

themed bean bag for their school and one for their local library, they will also receive a selection of books to keep. Please could you promote this to your children on our behalf?

Please submit entries on or before Monday 1<sup>st</sup> July 2019 either via email to; [tina.barber@sheffield.gov.uk](mailto:tina.barber@sheffield.gov.uk) or hand in at your local library.

Or by sending them to the following address:  
Sheffield Schools Library Service  
Block A Stadia Technology Park  
60 Shirland Lane  
Sheffield S69 3SP

Please remember to include the child's name, age and school.
