### Miss Adam

We've said bye to Miss Adam today. Sad day as she is the world's best problem fixer – especially problems that arise between children. We do wish her well and thank her for being such a wonderful colleague for the last five years. Next week, and up to Christmas, Mrs French, Mrs Dronfield and Mrs Flowers will work in Class 3 and around school.

- Mrs Marsh will be teaching Class 1 for part of the day on Friday.
- On Friday Christmas nativity ticket will be sent home.

### Mrs Townsend's Pupil of the Week

William Foster. He listens very well in assembly and always puts his hand up to answer questions. He has a great general knowledge.

### Nursery News

Next week we have the first of our Stay and Play sessions on Monday 2.00-3.00pm and repeated on Thursday 2.00-3.00pm. During these sessions one adult per child is invited to join us in Nursery to engage in an activity with their child. Parents, grandparents or childminders are welcome, but only one per child please. If your child attends for 30 hours, please choose just one session to attend. Unfortunately we are unable to accommodate younger siblings for health and safety reasons. Please come to the usual gate for 2.00pm. We look forward to seeing you.

### **SLEEP WORKSHOP**

Is it tricky getting your children to sleep? We know that this can be the case for so many parents and for so many reasons. In light of this, we have organised a '**Sleep Workshop**' for all parents, to be held at school on 2nd December between 9am and 12 noon.

The workshop will look at the difficulties surrounding sleep for our children and explore possible solutions to try out at home. If you would like to attend, all you have to do is give school a call on 01142882221 and leave your name and a contact number so that we know you are coming along. Please register your interest before 22<sup>nd</sup> November.

After that, simply turn up at Reception on 2nd December and you will be directed from there - of course coffee and biscuits will help us through the morning! Looking forward to seeing you there!

Following on from some training we have done away with lining up to come inside. The children are now stopping when the bell rings and walking inside. Obviously there are adults supervising and strategically placed but the children have done really well and it is saving so much time.

On Tuesday I dismissed the children at the end of assembly by simply saying 'Assembly is over, please stand up and walk back to class.' And they did! It was fab! Well done children and keep it up.

**Tweak of the Week:** Walk into school quietly and sensibly at lunchtime.
