These are 5 spellings which use the rule/s.

fried

decide

Make up silly sentences or play games to remember them. Use them in sentences.

Challenge – *now find other words which use the same rule/pattern.*

These are the 10 common exception words from the Year 2 wordlist for your child to learn this half term.

They will be tested on these each week – try practising these a little each day by playing games with them. This way your child can build up their score each week.

When your child is consistently spelling all of these words correctly, please encourage them to write a sentence for each word (starting with a capital letter and ending with a full stop).
